BUILDING CHAMPIONS IN AND OUT OF THE POOL

MAY SWIMMERS OF THE MONTH

Celia Keany Although Celia has been part of State and National record breaking relays, this year she ascended to the top of the sport individually. In one of the best races of the year, she had a come-from-behind victory in the 200 IM at the Oregon 11-14 Championships, and had multiple top 3 finishes at Age Group Sectionals. Her coach says "her consistency, attention to detail, and rapidly increasing strength and athleticism will make her one of the best swimmers in the US." An 8th grader at Lake Oswego Junior High, Celia enjoys swimming for the competition, that each race is a result of your hard work at practice every day, and for the friends she's made on LOSC and across the western states. Out of the pool, Celia enjoys running track, hanging with family and friends, traveling and playing the piano.

Ciara Wolfe Ciara is a very talented young swimmer and as she has learned more about how to push herself, she has become one of the fastest 12 year old girls in the state. Look for Ciara to be near the top of the state rankings for years to come. Ciara is a 7th grader at Three Rivers Charter School, West Linn Grade. She enjoys swimming because it enables her to compete and challenge herself, likes the dedication and intensity it requires, and the physical exercise it provides. When not swimming, she likes spending time with friends, baking, listening to music and watching movies.

Madeline Eller Madeline recently broke the 8 & Under 100 Breast team record, a goal that she has been very motivated to work hard at in practice to achieve. Her cheerful attitude and focus in practice has been very positive on her teammates. Madeline loves her team and loves to swim breaststroke! A 2nd grader at Oak Creek Elementary, Madeline loves swimming for the competition and the many friends she has made on LOSC and at meets. When not swimming, Madeline enjoys reading and spending time with her friends and family, especially her little brother Nate.
