

Lake Oswego Swim Club
BUILDING CHAMPIONS
IN AND OUT OF THE POOL

FEBRUARY SWIMMERS OF THE MONTH

ANDREW GATES

Andrew has been making great strides since moving up squads. His consistent improvements like dropping time at swim meets and moving up lanes in practice reflect his hard work in the pool. As Andrew continues to train hard, his coach expects to see great things from him in the coming years. A 7th grader at LOJH, Andrew swims because it is fun and it keeps him in great shape. Andrew also enjoys water polo, lacrosse, basketball, playing drums, reading and watching comedies.

ADITYA BAGCHI

In his very first swim meet at our LOSC home meet, Aditya swam fantastic races. His great attendance, hard work, positive attitude and focus at practice prove that he is well on his way to move up squads. In the 6th grade at Oak Creek Elementary, Aditya has always loved being in the water, so naturally swimming is a sport he enjoys very much. Outside of swimming, Aditya plays the viola and the piano and has won many piano competitions. He is also an avid video gamer.

ROY WANG

Roy recently swam his first swim meet, in which he qualified for the 10 & Under State Championships in four events! Roy's success is a result of his determination to work his hardest in practice. His strong work ethic will help him pave the way to continued success. Roy attends 3rd grade at Westridge Elementary and loves that swimming helps keep him physically strong. In his free time, Roy likes to read, play at the park, run and play the violin.
